

The background is a technical drawing on a grid, featuring a 3D perspective view of a mechanical component on the right side. The component has a rectangular base with a complex top surface, including a semi-circular cutout and several smaller features. The drawing includes various dimension lines and numerical values, such as 100, 50, 20, 10, 5, 15, 25, 30, 40, 50, 60, 70, 80, 90, 100, 110, 120, 130, 140, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, 260, 270, 280, 290, 300, 310, 320, 330, 340, 350, 360, 370, 380, 390, 400, 410, 420, 430, 440, 450, 460, 470, 480, 490, 500, 510, 520, 530, 540, 550, 560, 570, 580, 590, 600, 610, 620, 630, 640, 650, 660, 670, 680, 690, 700, 710, 720, 730, 740, 750, 760, 770, 780, 790, 800, 810, 820, 830, 840, 850, 860, 870, 880, 890, 900, 910, 920, 930, 940, 950, 960, 970, 980, 990, 1000. The title 'CATIA V5를 활용한 3D Modeling 기초' is centered over the drawing in a large, white, sans-serif font.

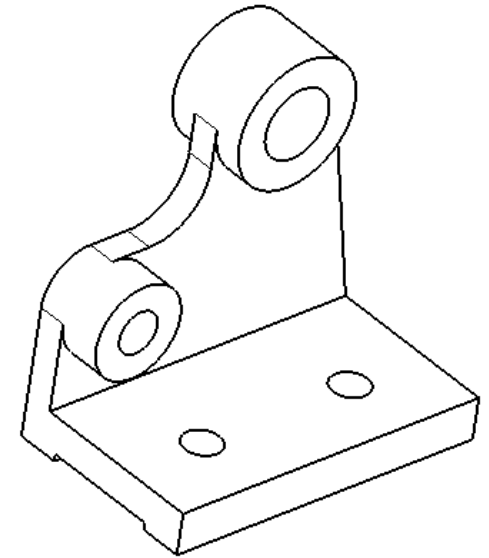

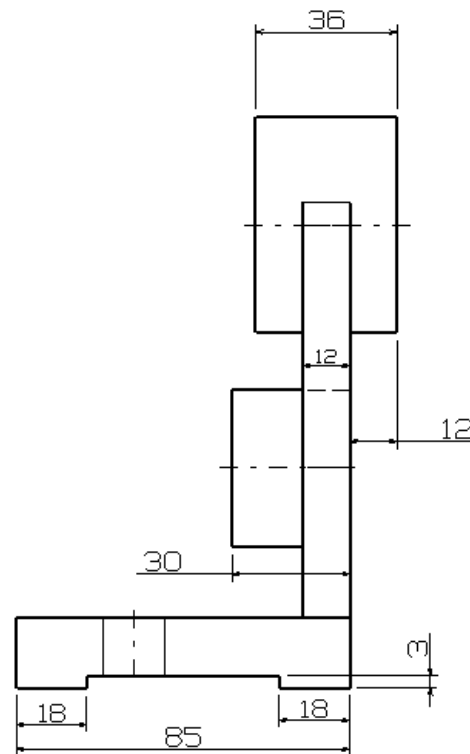

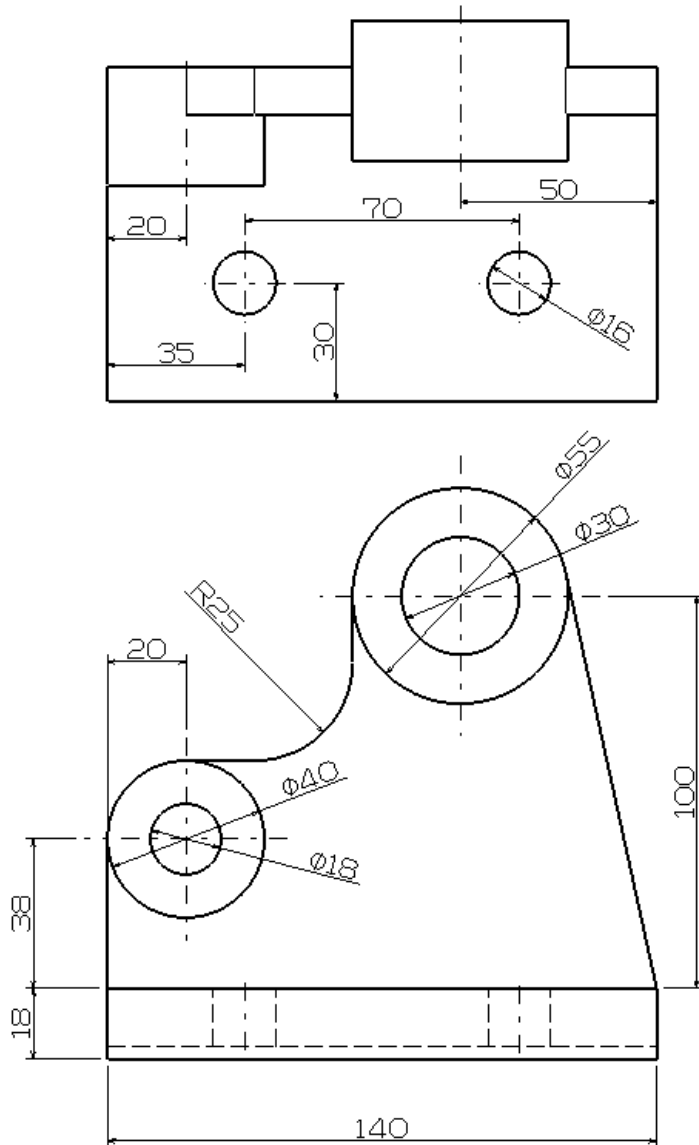

CATIA V5를 활용한 3D Modeling 기초

Characteristics
